SUMMARY

Software Engineering undergraduate at Daffodil International University with a strong interest in software development, programming, and Android system customization. Passionate about building practical solutions and continuously expanding technical skills through hands-on learning and personal projects. Familiar with C, HTML and GitHub. Strong problem-solving, debugging, and analytical skills, with a collaborative mindset and eagerness to contribute while growing as a software developer.

PROJECT & EXPERIENCE

Android System Customization & Software Troubleshooting

- Researched mobile operating systems and software optimization techniques.
- Customized Android firmware, bootloader, and system configurations for testing and learning.
- Diagnosed and resolved software-related issues through troubleshooting and debugging.

Firmware Modification & Optimization

- Modified Android system properties and framework behavior to unlock UI effects on unsupported devices.
- Customized and optimized HyperOS firmware for Xiaomi/Redmi/Poco devices.
- Modified system packages and configuration files for fluid functionality and user experience.
- Developed some Magisk/KernelSU root module to optimize, enable high-end & premium features on selected Xiaomi, Redmi, and Poco devices.

CERTIFICATES & ACHIEVEMENTS

Scholarship Award & Certificate — **2018**

- The Student's Welfare Association Dhaka
  Awarded scholarship for outstanding academic performance and dedication.

Golden A+ Award & Certificate — **2023**

- Prothom Alo
  Awarded for achieving GPA 5.00 (Golden A+) in the SSC Examination.

EDUCATION

Bachelor of Science (BSc) in Software Engineering — **May 2026 - Present**
->Daffodil International University. Dhaka, Bangladesh
• Major in Cyber Security

Higher Secondary Certificate (HSC) — **Oct 2023 - Jul 2025**
->BAF Shaheen College Kurmitola
• Group: Science

Secondary School Certificate (SSC) — **Jan 2021 - May 2023**
->BAF Shaheen College Kurmitola
• Group: Science

KEY SKILLS

- Programming Languages : C, C++, HTML
- Languages : Bangla (Native) I English (Fluent) | Hindi/Urdu (Conversational)
- Tools & Platforms : GitHub, MS Word, PowerPoint, Excel, Google Workspace
- Other Skills : Photography, Videography, Video editing, Problem Solving, Debugging
